

MIDCAP FORUM

“The Top Management of more than 80 European Mid Caps to meet US Investors in New York on the 11th and 12th of June, 2007 at the Waldorf Astoria”

For the very first time in New York, on the 11th and 12th of June 2007, 4 major investment banks, **Fortis Bank**, **JP Morgan Cazenove**, **Mediobanca** and **Sal Oppenheim** will jointly host an investor conference at the New York Waldorf Astoria.

More than 80 European companies from 9 different countries (Austria, Belgium, France, Germany, Italy, Luxembourg, the Netherlands, Switzerland and the UK) will meet fund managers from New York, Boston and Philadelphia, who invest in European securities.

The sectors represented will be: commercial services, consumer non-durables, consumer services, distribution services, electronic technology, finance, health technology, industrial services, non-energy minerals, process industries, producer manufacturing, retail trade, technology services and transportation.

Approximately 200 portfolio managers and buy-side analysts, directly involved in European mid-cap investment are expected to attend.

For more information, please goto the website; www.midcapforum.com

Tradinfo, the Brussels registered I.R. company behind this New York first will secure the general coordination and the organisation ahead of approximately 1500 meetings (one-on-one and group seminars) that will take place during this 2 day event.
